I understand that medical deep tissue massage therapy is not meant to be painful and at times some of the work can feel tender as it is applied. I understand that I have full control of the amount of depth the therapist will use and accept the responsibility to fully communicate my desired pressure to the therapist at all times.

I understand that medical deep tissue is not an exact science and that, therefore, results cannot be guaranteed. I acknowledge that no guarantee or assurance has been made by the therapist regarding the proposed treatment that I have requested and authorized.
